## SPECIAL TERMS AND CONDITIONS

Contract for a Two (2) Year period of time commencing February 1, 2000, with option to renew (upon mutual agreement of both parties) for two (2) additional one (1) year periods for Tires and Tubes.

The State's STANDARD CONTRACT TERMS AND CONDITIONS (trinntnt.doc – Rev 3/23/99) are hereby incorporated by reference into this bid solicitation as if set forth herein in their entirety. The State's STANDARD CONTRACT TERMS AND CONDITIONS are located on the Internet at [www2.state.id.us/adm/purchasing](http://www2.state.id.us/adm/purchasing). If you do not have access to the Internet, you may contact the Division of Purchasing at 208-327-7465 to obtain a copy of the State's CONDITIONS AND INSTRUCTIONS TO BIDDERS and the State's STANDARD CONTRACT TERMS AND CONDITIONS.

**PRICE ADJUSTMENT CLAUSE:** Contract prices shall remain firm for a one (1) year period of time. After the first year the Contractor may request a price adjustment. Request for price adjustment must be in writing and received by the Division of Purchasing no later than forty-five (45) days prior to the effective date of the proposed adjustment.

Price adjustments will be based upon the percent change in the U.S. Department of Labor, Producer Price Indexes data: Producer Price Index – Commodities, Series Catalog: Series ID: WPU071201, Not Seasonally Adjusted, Group: Rubber and plastic products, Item: Tires, Base Date: 8200. The Base Month for price adjustments will be Sept. 1999, or, the latest month for which the data is available to the Division of Purchasing at the time of contract award. (Sept 1999 index: 90.9) The data is available at: <http://stats.bls.gov/top20.html>

Price adjustments are subject to approval by the State. The State reserves the right to accept or decline any requested price adjustment, or, may decline contract renewal if a renewal is contingent upon the State's acceptance of a price increase. Any price adjustment will be limited to the amount of the PPI change.

Any approved price adjustment is effective for new orders placed by state agencies on or after the effective date of the increase(s). The Contractor will furnish revised net pricing lists to all the Agencies if a price adjustment is approved.

**DECREASES:** The State shall be given the immediate benefit of any price decrease. The Contractor shall promptly notify the Division of Purchasing of the amount and effective date of decrease. Invoices shall reflect contract prices in effect on the date the order was written.

**PRICE LISTS:** Within ten (10) days after award of the contract and after receipt of request from the Division of Purchasing, the Contractor will provide one-hundred (100) copies of the applicable price list(s) to the Division of Purchasing. **The Division of Purchasing shall be responsible for distributing these price lists to State Agencies.**

**ADMINISTRATIVE FEE:** The prices to be paid by the State shall be the prices bid by the Contractor plus one and one-quarter percent (1.25%). The additional percentage shall represent the State's contract usage administrative fee. No more than quarterly, the Contractor shall remit to the State through its Division of Purchasing, an amount equal to the one and one-quarter percent (1.25%) of the Contractor's quarterly Contract Agreement sales. The fee may be listed as a separate charge on each invoice for contract items.

**QUARTERLY REPORTS:** The Contractor will be required to submit, to the Division of Purchasing, quarterly reports that provide the following minimum information:

- a. Reports by Agency and by Agency receiving location, indicating the types of tires, tubes, parts or services, the total quantity of each and the total cost of the orders.
- b. When possible, reports should be in the same format as the product bidding schedule(s). Electronic reports in Excel or Text format are encouraged.
- c. Custom reports that may be requested from time to time by the Division of Purchasing.
- d. Reports will be due to the Division of Purchasing at the end of the first quarter (90 days) of the contract and each quarterly anniversary thereafter.

ESTIMATE OF USE: The State of Idaho estimate of total annual use (all schedules, combined) is approximately \$400,000. This dollar amount and any quantities listed in the Bid Schedules are estimates of use for bidding purposes only and are not guarantees of quantities to be purchased under this contract.

EXCEPTION TO CONTRACT PRICING: Prices paid by the State shall not exceed prices offered to any other governmental agency, advertised (by newspaper, radio or television), posted in store, or otherwise available to any other customer at the time of purchase by the State.

AVAILABILITY: Contractor shall provide year-round availability of product and shall offer prompt notification of discontinued (by manufacturer) products and replacement products thirty (30) calendar days prior to change. Replacement products shall be priced at or below the discontinued product item. Replacement product(s) must meet or exceed all original product specification requirements.

STANDARDS: All tires and tubes shall be first line or premium quality. All tires and tubes shall be of quality not less than tires and tubes normally furnished in representative quantities by Original Equipment Manufacturers as original equipment for automobiles, trucks, tractors, bus and similar motor vehicles. Tires supplied must meet all laboratory test and size requirements of Federal Standards Motor Vehicle Safety Standard (MVSS) 109 and marked with "DOT" compliance symbol.

All tires must have the size (including load range), manufacturer's name and D.O.T. number, serial number and indication of body material molded in side-wall at time of cure. The application of any of the above by any other means such as branding, application of decals, etc. will not be acceptable.

Endless rubber flaps of a width conforming to Tire & Rim Association standards shall be furnished with all tube type truck, farm and off the road tires as required, 600 x 9 and larger cross section.

Tires and Tubes, requested in this bid, shall conform to all applicable Federal Specifications.

All tires are to be covered for any defects in workmanship and material for the life time of the tread and any replacement cost shall be calculated using prices bid in effect at time replacement is requested. Bidder is to attach a copy of is warranty with the bid.

"Mud/Snow" tires are those listed in the manufacturer's tire line charts as "mud/snow" or "all terrain." Military non-directional type of tread is not acceptable as a mud and snow tread design.

Contractor must be a manufacturer or an authorized distributor for a manufacturer and have a full service tire facility located in various Idaho Cities. The Contractor must be authorized to handle the manufacturer's products and be capable of supplying all tires to all state agencies, including the Idaho Transportation Department, and any local governmental agencies located anywhere within the State of Idaho.

SERVICE CENTER LOCATIONS: As a minimum, Contractor must have a full-service tire facility located in all the following Idaho cities:

**Coeur d'Alene, Lewiston, Boise, Twin Falls, Pocatello and Idaho Falls**

The full-service tire facility must be capable of providing: tire installation, mounting, alignment, sectional repair, balancing, nail patching, roadside service, and preventive maintenance as may be required by the using agency. It is understood and agreed that service and inspection reports will be provided to the State Agency in all instances when tire service is provided. These reports shall include but not be limited to tire casing failure, retread failure, type of tire service provided, location where the service was provided, and to whom the service was provided.

**Each full service location shall have a minimum of three (3) full-time tire installers during standard business hours.**

EXCEPTIONS TO USE: Unless this contract is designated "optional use" or other exceptions to use are listed in the State's bidding documents, State Agencies will obtain their requirements from this Contract. The State reserves the right to purchase property elsewhere on an emergency basis where delivery or minimum order requirements (including shipments with prepaid freight charges added) are restrictive or burdensome.

USE OF THE CONTRACT: Except for drop shipment or delivery of tires only (no installation services), use of the contract by State Agency offices located outside a Twenty (20) mile radius of the nearest of the above cities is optional on the part of that office.

**State Agencies (except ITD) will either receive their tires at the dealer's location or indicate on their order where the tires must be delivered.**

**DELIVERY TIME:** DELIVERY: F.O.B. DESTINATION: Within ten (10) calendar days of receipt of order.

**WARRANTY:** All tires furnished must be equivalent to specifications, requirements and products acceptable for use as original equipment; as determined by major automotive and equipment manufacturers. Tires must meet OEM specifications. All such tires shall be fully warranted and have sufficient casing quality to assure they are suitable for retread at the end of the tire's new-tread service life (abnormal wear and tear excluded). In the event of failure of warranted tire(s), Contractor shall issue full credit, adjustment or replacement, whichever is in the best interest of the State, within thirty (30) calendar days of presentation of the tire(s) to the manufacturer, dealer or authorized distributor, whichever is the most convenient to the State.

Contractor shall provide year-round availability of product and shall offer prompt notification of discontinued (by manufacturer) products and replacement products thirty (30) calendar days prior to change. Replacement products shall be priced at or below the discontinued product item. Replacement product(s) must meet or exceed all original product specification requirements.

**PRICING:** Discount percentages offered in the Bid Schedule must also apply to all other tires of that same brand name and category that are offered for sale by the Contractor. Federal excise taxes should not be included in net price quoted nor in prices charged to State. Upon request, exemption certificates will be furnished to the Contractor.

#### **SPECIAL REQUIREMENTS: Schedule III - NEW TIRES AND SERVICES, all agencies**

**Scope of Work:** Contractor shall provide required tires, all personnel, labor and equipment necessary to provide complete and timely pneumatic passenger car, light truck, heavy equipment and off road vehicle tire sales and service for the State of Idaho authorized governmental agencies. Services will include, but not be limited to the following:

A. Sales and installation (in accordance with manufacturer's recommended procedures) of warranted new virgin-product tires, excluding high speed pursuit tires, which fully comply with all specifications for new tires.

B. Complete statewide service and roadside service as may be required.

C. Service Centers with complete installation, maintenance, repair, and related support services as may be required or requested by State Agencies at all required locations (See "Service Center Locations", below.)

**ROADSIDE SERVICE: Contractor shall provide complete twenty-four (24) hour roadside service, as may be required, available at all dealer locations.**

Contractor shall provide statewide twenty-four (24) hour toll-free hotline telephone number(s) for State use in the event roadside service is requested under the terms of the contract. In the event Contractor is unable or unwilling to respond within the required dispatch time after telephone notification of the emergency, the State reserves the right to procure the goods and/or services elsewhere. Repeated failure to perform shall be a breach of contract and constitute grounds for contract termination. Dispatch response time shall occur within two (2) hours of notification by staff agency or authorized non-staff agency.

Schedule III, new auto and light truck tire **prices include mounting of new tire, dismounting and disposal of old tire (if purchaser requests disposal)** when the tires are installed **at the time of purchase.**

Tires purchased and inventoried by the purchaser and returned to the store for installation at a later date are subject to a mounting fee.

A NEW VALVE Stem or NEW TUBE charge is to be used ONLY IF REQUESTED by the procuring agency.

WHEEL BALANCING is always subject to a fee per the Bid Schedule Prices.

**Bid Schedule III (New Tires and Services, All Agencies)**

III-A Bidders shall submit the Bidder's latest current and dated published price list(s) for full spectrum of products offered. **See LES SCHWAB Suggested Supermarket Sheets and Suggested Fleet Prices (dated 12/10/99).**
